

Padma Priya

Emerging
Poster Designer

MY PROFILE

I am an aspiring poster designer, blending creative vision with hands-on technical skill. My toolkit includes Canva for efficient prototyping and Adobe Illustrator for crafting custom typography and vector art. I'm also building my proficiency in Photoshop for image editing and Figma for thoughtful layout design. I am eager to bring my passion and growing skill set to a collaborative team.

SKILL

- Proficient in Design Tools
- Strong Visual Storytelling
- Keen Attention to Detail
